SHARER NEEDED ASAP 13.2 piebald cob 10 years old gelding (10 GBP)

South East, West Sussex Location https://www.freeadsz.co.uk/x-483746-z

Flash is on full loan to me from Sussex horse rescue trust. He is a lovely gentle and kind pony, he is a happy hacker although works in the school well, he does love to jump although I am not much of a jumper myself so he is happy to take it or leave it. He is bombproof on the roads with all traffic. Would suit a small adult or child who has some experience maybe even a mum and daughter share. I am looking for someone to do at least 2 days a week with the chance to take on more if wanted. Stable duties will be included. Financial contribution is required and can be discussed. I am due my 2nd child on the 20th July so time and money for flash is a bit difficult and will be for the foreseeable future, he is truly and amazing pony and I really do not want to have to send him back to sussex horse rescue trust but unfortunately I will not have a choice if I can not find a sharer for him. We are based in Horsted Keynes. Hope there is someone out there who sees this and helps me to keep this pony from having to find a new home.;
