They are KC Registered. Beautiful Grey/White, Black/White, and Polar White boys and girls available. Some with blue eyes. Puppies will leave us at 8 wks of age and be vet checked and 1st vaccine given. Healthy, happy babies with beautiful coats. Strong, sturdy and well built. Beautiful markings. Excellent temperaments as do parents. Both parents are an excellent example of the breed and can be seen. Puppies are being regularly wormed and fed on a high quality puppy food. We can also microchip puppy on request. These babies must only go to kind, loving and permanent homes who are fully prepared to put in the time, energy & commitment into rearing a beautiful but specialised breed. Our puppies are full of fun & puppy mischief and prospective owners must be fully prepared to take on all that comes with a happy, playful puppy. Please do your research about the breed and think very carefully before getting a puppy - it really is a lifetime commitment! Our babies will come with 4 wks free insurance, a puppy pack that includes a collar and lead, toys, food bowl, and premium dry food. I am always here for advice. Don't miss these
