Unisex BURTON "HAIL" SNOWBOARD Boots

From Burton's Park series, Burton Hail snowboard boots have a soft flex that's tailor-made for long days of jibbing and an AutoCANT outsole for more control and reduced fatigue.

## Highlights:

Shrinkage Footprint Reduction Technology reduces the boot's overall footprint for a sleeker design that prevents toe drag

HS outsole with AutoCANT cushioning features a dual-density midsole for support, response and canted comfort

Articulating cuff allows the upper and lower zones of the boot to flex independently
