Reluctant sale; beautiful seven seat TD5 ES auto in gold metallic / light leather interior. Used daily until December, maintained by LR specialist, 11 months MOT, recent Goodyear Four Seasons tyres. Twin sunroof (motors intermittent), premium stereo, electric windows front & rear, electric heated front seats, heated windscreen, air conditioning, cruise control, ABS; too many features to list. Good condition with some marks commensurate with age. Owned six years, mileage mainly motorways, so engine / gearbox still strong & reliable.
