

beats pill (100 GBP)

Location **London, London**
<https://www.freeadsz.co.uk/x-484312-z>

got theses speakers only used once and still in the box they are 100% authentic and comes with dude stand got it from Argos but i dont have the receipt only thing it doesn't come with the beats charger as i have missed placed it sorry buy with confidence you wont be disappointed with the sound quality. Grab a bargain whilst its still available also i am open to offers no low offers) please note i have this uploaded on another site to so it can go)
