This beautiful Audi TT came in part-exchange on one of our MINIs. It comes finished in metallic Dolphin Grey with contrasting Light Grey Fine Nappa Leather Sports Seats inside. The 2.0 litre turbocharged FSI engine is a real gem with 200 bhp and an average 36mpg making this car both useable every day and exciting to drive. The S-Tronic double-clutch gearbox is the real star of this show though. Coupled to the turbocharged petrol engine this gearbox always has the next gear pre-selected and ready to change. This means that gear changes are both smooth and seamless as well as fast. The S-Tronic is two tenths of a second faster to 62mph than the manual version. You can also select gears with the paddle shifters if you prefer. It has done just 61,000 miles and was serviced just over 1000 miles ago. The timing belt and water pump are also done so youâ€™ve got no major servicing worries. Just jump in, drive and enjoy. â€¢ RESERVE THIS CAR NOW FOR £200 â€¢, If you are making a special trip we recommend reserving the car so it is available when you want to see it. A fully refundable £200 reservation fee will hold the car for up to 5 days. If you donâ€™t like the car for ANY reason upon seeing it, your £200 will be refunded.
