Apollo Boogie Girls BMX Bike. 18 inch wheels, (Suit age: 5 to 8 years).

----- This model of bike is selling at Halfords for £100, see picture Condition: Everything working as it should. There are a few scuff marks and scratches to the paintwork and graphics. There is just a small amount of rust on some steel parts like screws, and bolts, but nothing too serious to affect the overall performance of the bike.

#### Servicing & Pricing:

This has just been serviced, I went through a checklist of every component on the bicycle to make sure everything is working as it should be.

I believe my selling price is always reasonable. My last pic on the advert shows what a bike shop would charge for just a service (without replacing any parts).

On this bike I have checked everything over as a mechanic would, and the brake cables have been changed.
