Halvarssons Motor Cycle Textile Suit.
If you are looking at this then you will know just how good these Swedish made suits actually are.This is a heavy duty two piece suit with removable liners in both trousers and jacket.The trousers are bib and brace type so when on you have total comfort and protection from this suit.Its a 56" 2XL in size, please see Halvarssons web site for sizing details.It is a used suit, but in very very good condition and offered at a fraction of the price of a new suit,(I believe to buy this new would cost over a £1000).I am in Northants NN15, if you wish to view or try on;
