Top Luxury Caravan for sale - full turn key move in price. This spacious family caravan has front opening patio doors, ideal on a sunny day to bring even more space inside. The kitchen is very big also with its centre island means its ideal for cooking.

As you come down to the family bathroom you will see a bath which most caravans don't have. The last owner said she loved coming down on a Friday evening and having a bath before she goes down to the clubhouse and watching the cabaret.

This caravan is also double glazed and centrally heated so being cold in the winter is not something you have to worry about.

The caravan comes fully equipped with an inventory that has everything you need to get you started, even knives and forks! Just bring your TV, Towels and Toothbrush.

Also included in the price...
