Beautiful Narrowboat for sale

Built in 1999 by the very respected Colecraft

60ft long and with a spacious cruiser stern to enjoy the view with friend while cruising.

Recently repainted and restored, Epoxy blacked and new anodes fitted. Hull is in excellent condition with a survey from May to confirm it.

Half a kilowatt of solar panels and 440ah of Agm batteries provide plenty of power.

240 and 12v sockets throughout. 300w inverter for laptops etc

Shoreline 12v fridge

BMC 1.8 engine with extremely low hours. Recently serviced and runs perfectly.

Hot water provided either by the engine or from the Esse range.

Cassette toilet

The glazed cabin door over the engine is a beautiful boat and has been a lovely home for me. Only one of the best at this price. I have to go to work and business. I have a company and a family. I require a narrowboat as a small amount of work to the interior trim, and some finishing touches to make her your own.

Please call to arrange a viewing.

Thanks
