<https://www.freeadsz.co.uk/x-486157-z>

Hello there we are on the look out for a very special little female black pug puppy to come and join our loving household. Must be able to provide proof that puppy has passed all her vet checks, injections are up to date and has been wormed etc and also if possible be able to provide proof that mum and dad were both given full vet checks before hand. She will be coming to live in a household where she will want for nothing. She will be spoilt rotten :) We have a lot of experience in owning pugs as did my parents before me. So you can rest assure that she will be very well looked after. I can also take on two if you don't want to split them up. I check my emails daily so I will get back to you the very same day. I will also come out to collect as long as its devon or cornwall based. Thank you so much for taking the time to view my add. We look forward to hearing back from you real.
