Removals Expert Ltd. is a moving company founded on the belief that all of our customers deserve moving solutions that are tailored around the needs of a modern lifestyle. Starting life in London as a local moving company, our attention to detail and our modern approach to home moving have quickly taken us further afield. Our focus has always been and remains on understanding the pressures that a modern lifestyle brings and combining that with a traditional approach to the art of moving. Our customer care is built around our people. Every member of our experienced teams has a dedicated role to play in your move, combining their skills and knowledge to offer you a service totally based around your needs. Removals Expert continues to grow through delivering the highest levels of service at excellent value and by providing the expertise of a national company with that all-important local knowledge and presence. We believe that it is this approach that sets us apart from all other removal companies, and we hope you feel the same way when it comes to choosing a team to manage your move. Why choose Removals Expert? There are many moving companies in the market place offering a wide range of products. So why choose us? We like to think that there are plenty of very good reasons, but here are some of the main ones: Our People We take the responsibility of moving you as of utmost importance, to do this we need to ensure that our people are the best in the industry. As part of our staff recruitment process, our entire customer facing team is routinely Criminal Records Bureau (CRB) checked. This ensures we are making the very best and safest recruitment decisions on your behalf, and continue to deliver service excellence in everything we do. Our Commitment Our teams are committed to their moves from day one right through to completion, working tirelessly to ensure that everything needed for your move is in place and ensuring their duties are complete, meaning peace of mind for you throughout. Value for Money We

understand that the costs involved in moving house or relocating need to be justified. When you use Removals Expert, the costs are cost-effective wherever you are based. We have a nationwide network of experienced and expert movers who can handle your move with the same level of expertise and care. Our services range from small flat moves to large commercial moves, commercial relocations, and office relocations. We are also experienced in moving valuable items such as antiques and art collections from storage to display across the globe. Our Environmental Commitment When we transport your possessions we work hard to ensure that it has as little impact on the environment as possible. From using the highest quality recycled materials in our packaging to training all our drivers in responsible driving and fuel efficiency. Move Manager Your dedicated Move Manager will become your partner throughout your domestic removal and their job is to ensure any issues or problems are dealt with quickly and effectively. Insurance Your possessions are valuable and as a company we have the ability to ensure your move is fully insured. Did you know that without proper insurance your possessions are only
