

Japanese Cyclone super strat mid 80039s (100 GBP)

Location **London, London**
<https://www.freeadsz.co.uk/x-486625-z>

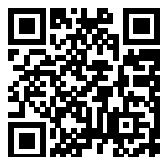

Beautifully aged creamy coloured japanese built super strat. Early 80's
Plays wonderfully. Solid body. Excellent early Japanese build quality. Rare guitar that sounds and plays great. Hi build quality hi output pickups. Absolute Bargain for a made in japan guitar. one piece body, fast slim neck, trem works lovely. A lot of guitar for the.
