Location **Scotland, Midlothian**
<https://www.freeadsz.co.uk/x-486820-z>

We provide Medics with enhanced skills in Basic Life Support for all types of events.

Our medics have experience from providing medical cover for some of Scotlands most exciting events from Sporting Events, Public Gatherings and Hill Climbs to Large Music Events and City Centre Nightlife.

We have the resources and people to provide first aid at them all, indoor or outdoor. We can offer a variety of resources including, foot patrols, Ambulance presence or Medical posts and come equipped with radio communications, which enable us to consistently deliver the highest standards of First Aid cover.

We offer advice and guidance tailored towards your event with regards to first aid provision and a local contact, to guide you from initial planning to the successful and safe completion of your event.

Our team of medics will undertake a risk assessment based upon your event management plan. Whatever the size of event or location, you can be sure that we will endeavour to meet your first aid resource requirements.

Based in West Lothian, Scotland we can cover the whole of Scotland and if needed the UK.

All our First Aider's are fully insured, with their skills regularly updated and verified.

With advanced first aid and diagnostic skills we are able to provide the very best high quality care and support to all our customers. We are experienced in the diagnosis of all medical conditions and are able to provide the appropriate treatment to all our customers.

We have a wide range of experience in providing medical cover for all types of events (including sports) and are continually developing and being flexible to our customers needs but remain dynamic and high profile, giving our customers a very high quality professional service.

For complete peace of mind with all your event cover needs, contact us today.

We will assess the appropriate medical requirements for your event and provide you with a competitive quotation. Contact us today. Email: info@nightingalemedics.co.uk or Phone: 07742127294 07742727294 (click to reveal)
