The Good Grammar Book (With Answers)

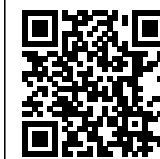

by Michael Swan & Catherine Walter

Essential book for anyone teaching TEFL or learning English as a foreign language.

The Good Grammar Book teaches all the grammar needed for speaking and writing in English. It explains the rules, shows how the language works, and gives plenty of practice. It can be used either with the coursebook in class or as extra practice at home.

Collection from Crosby, north Liverpool or buyer arranges and pays postage/packing etc
