New International Business English - Teachers Book + Workbook

New International Business English is a course for upper intermediate (B2) level learners who need to use English in their day-to-day work. In this revised edition, all four language skills - listening, speaking, reading and writing - are developed through a variety of tasks that closely reflect the world of work. The 15 topic-based units in New International Business English provide learners with numerous opportunities for discussion and cover a wide range of subjects, including face-to-face business skills and techniques, telephone skills, international trade, marketing, meetings, and sales and negotiations.
