This is Riley. He's a wonderful boy who's looking for his new, loving home. His Mother is a pedigree Blue Persian who got out and was caught by a local Romeo. Riley is a large Cat that had all his vaccinations as a Kitten and is Micro-chipped and Castrated. He lives with older Children, Cats, Dogs and Rabbits. He comes and goes through our Cat flap and I'd like him to be able to do the same at his new home. We don't live near a road so please bear that in mind. He loves being brushed and is treated monthly with Advocate. No small Children, roads or Flats please. No texts or emails, please call my landline.
