I have the above for sale. Plays really well! And for a "starter" guitar, it really does sound nice. Has that classic sound that we've all heard over the last 60 years from the infamous Stratocaster. Hardly a mark on it. Just a few tiny surface scuffs that are barely visible. Beautiful shiny black colour. Cost £80 new and barely used. Comes with a jack lead, plectrum, strap, tremolo arm, and a spare set of super light strings. Comes in original box. A wonderful guitar for a beginner, but good enough to be a spare for a gigging guitarist. £40 no lower please. I live on Coombe Road in Brighton. Can deliver for free within Brighton. Or £7.
