Myers Double Divan bed and mattress (no head board)  
190cm x 135cm

2 drawers each side. Looks a bit tatty, mainly from stains from a roof leak, the stains are rust, tried all sorts to remove, very difficult.

Photos 8 + 9 shows this, but the surface showing is with the mattress upside down, just so you can see it so u won't be surprised and change your mind on collection, but that side would actually go face down anyway, just leaving it possibly showing at the side, but actually your sheet / mattress protector, would cover that anyway. Or you might have the stain side against a wall. So it is really ok and a good comfy bed if you aren't too particular about what u can't see, just cover it and forget about it! Has been thoroughly cleaned and disinfected etc. May need a good airing for 1 day in a warm dry room as has been in a storage container unit since summer, so possibly will feel damp, but allow dry air to circulate around it for 1 day before use. If you want something posh, its not for you.

But if you realise once your mattress cover and sheets / quilt are on it, it doesn't matter if it doesn't look perfect underneath, you will be interested.

It's comfy.

Free to collector or I may be able to deliver it locally, Wellington, near Taunton, for £15 Text me please
