Have you ever been curious as to what it's like to be hypnotised? Have you thought about hypnosis to deal with issues, but been put off by seeing stage hypnotists on TV?

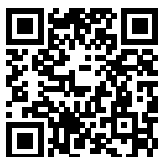

This seminar is perfect for you!

We will cover the principals of how it works, and give you the facts and debunk the myths behind this natural phenomena.

We will cover pain relief, anxiety, PTSD, phobias, habits and more, and if you have anything minor you wouldnt mind sharing then we will do a few demo sessions to show the process in action.

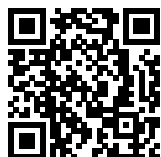

If you are interested in attending, please book your tickets ASAP as places are limited.
