The Grewal Notary is run by an established notary public, Tarnjit Singh Grewal. Tarnjit completed the examinations needed to practise as a notary in 2009 and began his career practising in 2010 with a firm of notaries public in the City of London. Whilst working for the firm he worked predominantly on company notarial matters for some well-known companies and brands and would frequently, by the nature of the work, liaise with directors, executive officers and other decision makers. <http://www.grewalnotary.co/>
