Pauls Removals is a family run removal business with over 25 years of experience, proudly providing our services to the community of Canvey Island and the surrounding areas including all of London & Essex, for removals throughout the UK and Europe. With old fashioned values that guarantee an expert quality removal service, every time. Our extensive range of services includes local, national and international removals, full and part loads, full packing service, packing boxes, container storage, household & office removals, and removal of multiple items. You can be confident that our small, dedicated team will continuously strive to deliver the very best service for you, no matter how large or small your removal job.
