Location **London, London**
<https://www.freeadsz.co.uk/x-489812-z>

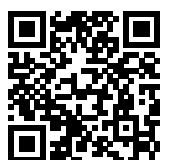

LAKWERA SERVICES in King's Cross is offering FIRST AID AT WORK TRAINING Level 3 (QCF) - 3 DAYS COURSE £190/candidate inclusive of a first aid book and a first aid pack, as well as your accredited certificate, which successful candidates will receive in 2 weeks approx. The course will start at 9.30am and end at 4pm every day, between the 8-10th of February 2017 and/or the 1-3rd of March 2017. This is ideal for any work environment with high risk of danger or high number of people. Fully accredited and Health and Safety approved, inclusive of certificate. If you are a site manager, or a builder looking to get priority job on a building site, then, this course is for you. By law, a building site has to comply with Health and Safety Regulations therefore, the site being a high risk will have to have Managers accurately trained in First Aid. <http://www.trainingforsecurity.org.uk/first-aid-courses/> Refreshments will be offered - 3 days course. All candidates will receive a first aid book and a first aid pack. Call us on 020 3239 6977 020 3239 69...(click to reveal full phone number) to book, or for more information please follow the website link from the gumtree ad that will take you directly to our website. You can also book directly on the website via secure PayPal connection. You do not need a PayPal account, you can just click on the link that says Pay with a debit/credit card. Level 3 Award in First Aid at Work (FAW): This includes all the features of EFAW (Emergency First Aid at Work) and also equips learners with the first aid knowledge and skills to tend a range of specific injuries and illnesses. This particular award is most suited to working environments that have a high hazard count and/or high numbers of employees. Small or large, your request will be met with expert advice, individual attention and innovative solutions. Contact us and discover all we have to offer. Our qualified staff looks forward to serving you! How long will the course take?

The First Aid at Work course qualification is typically achieved through a 3-day class-room based training course. Our requirement for this is reduced to 2 days. The First Aid at Work course qualification is assessed by the examination is presented in a practical demonstration, first, questioning and a final questions viva voce. What next?

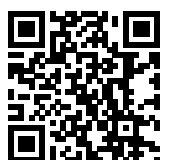

Certificates for successful learners will be dispatched for distribution in due course (approx 2 weeks). This qualification lasts for a period of 3 years after which point learners will need to retest the course. *Please note that in line with the Guidelines of the Resuscitation Council all our First Aid courses will cover Debridement training as part of the subjects.
