Great looking vintage dining table with 2 chairs.

Sturdy dropleaf table, comfortably seats 4.

Unsure of age, but clearly old.

Lovely detail on barley twist table legs.

Looks good as is, or varnish/laquer/wax to make it look new again. Would also make brilliant shabby chic project.

Comfy chairs - almost a perfect match to the table.

2x other non-matching chairs also available if required.

13x32 inches closed

32x46 inches when full open

29 inches tall

Open to reasonable offers.

Collection preferred, weekends or evenings in London NW5. Potential to deliver locally at extra.
