Accounting Services For self employed and small to medium businesses - contact me for assistance with your accounting, business or computing requirements. I can perform a secure book-keeping service and provide help with other areas of accounting such as financial and management. All work can be managed and maintained by myself or with your own desktop computers / laptops. I provide services from home and keep your finances secure or I can visit you at your business address. I am very experienced in writing simple to advanced spreadsheets in Excel to help your business with it's accounting tasks or functions, financial reporting or preparing statutory or regulatory returns. I have 27 years experience in the accounting industry in various business services and manufacturing environments. Please contact me with your.
