Hexagon Garden Services.

If you want to have a beautiful garden at low cost, ask us. We are gladly to execute it from base, we can also serve professional advice. We deal with complex performance of green areas, which includes, among other:

- professional advice and execution; visualization / project,
- preparation of land for working,
- made lawns,
- made flowerbed with decorative plants,
- new planting (flowers, shrubs, trees, etc.)
- made complete hydration (garden sprinklers)
- paving,
- making pond,
- making fences,
- many others.

We try to focus only on the complete execution of the gardens from A to Z, but if you are interested in small type service, e.g grass cutting, trimming plants, tree removal, general maintenance area, etc.. or if you have any questions, please contact us to arrange details.
