It does not leak and there is no damp at all, it has been fully resealed by a dealership. It is the 2.8l diesel engine which is powerful and has a very long 5th gear so it dies surprisingly well on fuel. It is in very good condition inside and out. The interior has been fully re-upholstered with removable washable covers. It has had brand new high quality carpets made. The carpets are removable and there is a wood effect lino floor underneath. The bathroom has had a new carpet as well.
