I am a wedding, events and portrait photographer based in South East London, covering the whole of England.
 Looking to capture the special memories from your big day?
 Having a party that just needs to be snapped?
 Want to get those family photos you always talk about getting?
 Then look no further!
 I offer reasonably priced packages for a range of photography sessions.
 Examples of my photography and the prices are all up on my website so click on the link and send me a message if you have any.
