We have a 5 Weimaraner / Bedlington whippet cross puppies looking for homes.

Litter contains 2 grey females, 2 black males and 1 black female.

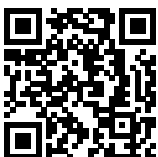

They will be health checked, vaccinated and micro-chipped and will be ready to go to their new homes at the start of February.

Both mum and dad have lovely temperaments and are from homes with young children. The puppies will be kept within our home with our two young children and will be handled by them.

Our Weimaraner, Tia, is smaller than average for the breed and coupled with the whippet mix, we expect the puppies to be slightly smaller than a standard Weimaraner.

£700 ONO
