We are a South London based Interior Design firm offering a range of design, refurbishment, styling and project management services, and are currently offering 50% off all Interior Design services throughout the whole of January and February 2017!

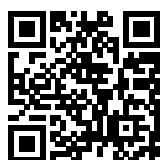

If you are interested in discussing any residential or commercial projects you have in order to make the most of the offer, please email us at click to contact or visit us at www.mapleandrook.com.

At Maple and Rook we believe in living beautifully. We understand the quintessential necessity of living, dining, working and relaxing in inspiring spaces, and our passion and purpose is to create idyllic environments that suit your every need. We specialise in realising your vision by making your priorities our priorities. As designers, we believe in the Scandinavian philosophy of Hygge – living simply, and living well – and we endeavor to incorporate this into every environment we design, whether minimalist or eclectic, cool or.
