Very well looked after BMW E46 318CI M-Sport for sale. Finished in Silvergrey metallic paint. It has covered 103,000 miles (which is not a lot for a BMW) it starts and drives superbly with no knocks or bangs. The bodywork is in excellent condition and the panels are straight with NO FILLER! The car has only covered 5000 miles this year but is due a service. I have a lot of paperwork for work that has been carried out. The car comes with diamond cut 18" alloy wheels with Goodyear Eagle F1 Asymmetric 2 tyres all round with a nearly new amount of tread on them. Very good tyres. It has a full grey leather interior which is a quite rare option. Full year MOT. I am selling due to rising insurance costs and I will miss this car dearly. First to see will buy. Feel free to contact me with any questions. ;
