Mitsubishi L200 Warrior.

This is a top spec example in very good condition with low miles and has 12 months MOT.

As a Warrior it is has loads of great features including: electric windows all round, full leather interior, alloy wheels, air-con, 10 disc CD multichanger, electric mirrors, it has the more powerful 113bhp diesel engine as well as 4 wheel drive.

This truck has a genuine Mitsubishi removable hard top/cover (new neoprene gasket fitted) and load liner, it also has the genuine sport pack twin headlights.

It has recently had the following new parts; exhaust, rear shackles (poly bushed) top and bottom ball joints (both sides), new steering idler and pitman arm, front anti-roll bar bushes (poly), vacuum pump oil seal.

Last year it had a rebuilt turbo, new cylinder head, timing belts, water pump, aux belts. I also fitted a stainless decat pipe and removed the EGR as a preventative measure (this is recommended on all the forums) but the original parts come with the truck.

We have thoroughly enjoyed owning this vehicle, it has taken the family on holiday and day to day use but with another baby on the way and a 70 mile commute I have taken the difficult decision to sell. Please be aware this is a 12 year old commercial vehicle and as such there are some marks on the body, although it is well above the average.
