This Genuine 18K Solid Gold Rolex Watch in Great Condition. The band is outstanding, and I have not been able to find one like this one.

The dial is excellent. Date and day.

This watch has been well cared for by my father it was rarely used over the past 48 years. I took this watch to "The Watchmakers Shop" in London, to have it verified.

The owner of the shop is a certified Rolex watchmaker.

They confirmed it was a genuine Rolex, and that the serial number on the watch is 1756291.

Timing the watch showed 2 to 4 seconds per day.

The movement is a 1803, It looks clean and original, and the watch is keeping good time.

The band and watch case have been electronically tested for 18K solid gold, and both were confirmed 18K.

The total weight of the watch is 113.6 grams

I do not have the paperwork or box. This is reflected on price,

This is a genuine Rolex watch so no time wasters telling me different, Will except a reasonable offer, money back guarantee, will be posted first class fully insured, and tracking number will be provided, only bid if you genuinely want to buy, payments to be made soon as Auction ends thanks for looking. (ONLY UK BIDDERS) will not post.
