We're excited that Zip Slides UK are returning to Newcastle and Gateshead in 2016 - offering you the opportunity to zip across the Tyne in support of Bloodwise. The zip slide starts from the Newcastle side, 30 metres above the River Tyne. It travels diagonally across the river for 230m before finishing at HMS Calliope on the Gateshead side. There are various slots available on 1 and 2 April between 9am and 3pm. Registration is £46 per person. Visit their website and sign up now: don't forget to select Bloodwise as your nominated charity. <https://bloodwise.org.uk/event-challenges/challenge-myself-do-another-type-sport/north/spring-zip-slide-across-tyne> Please note: you'll need to be 16 or over to take part in the slide. However, if you're aged between 16 and 18 you must have parental consent: this is a restriction placed on the event by Newcastle City.
