We are a family run business with over 30 years experience in the fitted furniture industry, so we know a thing or two about fitted kitchens. We bring all of this experience together to offer you a complete and professional design, supply, and installation service, offering a surprisingly affordable bespoke British built product coupled with an unrivaled level of service. Our price point is simple . . . if you can afford a kitchen from Wickes, Homebase, B&Q, Wren, or Magnet, then you can certainly afford one from us. Except, instead of buying a pile of boxes with identikit cabinets, you will be buying a built to order bespoke product. Why not visit our brand new showroom at 98a Bellegrove Road, Welling, DA16 3QD and see the difference for.
