

FAMILY HOME DESPERATELY NEEDED (700 GBP)

Location **Wales, Gwynedd**

Me and my partner are looking for a family home. (house or bungalow) A minimum of 2 bedrooms is required. We have our first baby on the way and have two well behaved cats. We're not fussy on the area. We'd much prefer the Conwy County, but are more than happy if we can get a property in the Denbighshire and Gwynedd Counties. We're both local and rent a flat in Llandundo but need to take the next step and rent a house or bungalow. We're looking for a long term rental 5+ years so naturally we'd like to decorate. Due to our baby having a worsening birth defect, I had to leave work. So the first months rent and deposit are available immediately through housing. My partner works for the council so will be able to easily manage rent with his current wage. If you don't have a property right now but may have one in the future, then please still get in touch. We would be happy to move whenever aslong as it's before April 2017 when our baby is due. For a quick chat or to ask us any questions, please feel free to phone or email and I'll get back to you within a few hours. We've been let down and messed around up to the point of paying a deposit. ONLY GENUINE PEOPLE please! We have a sick baby on the way, don't have time to be messed around, we need out of our current property as already have a dodgy landlord and an unlivable property. We'll be very good respectable and clean tenants that will always ensure rent is on time. Thank you.
