Extremely elegant light ivory lace gown (these pics do not do it justice) with diamante detailing. Satin under layer. Can be worn with or without a hoop. No alterations have been made so the fit is as per the supplier. Size is 18. Wedding gowns come a size larger so would fit a size 16. Dress is light weight but you can feel the quality. There is a hook underneath for the small train section for dancing etc. Dress has been cleaned. Bought last year for £1495.00 would sell for £450 ono 42" light ivory 2 tier veil Lace detailing on the longer tier with tear swarovski crystals along the edge at approx 6" intervals. This veil is perfect to compliment the wedding gown. I paid £150 for it last year would accept £75 I hate to sell these but i also dont want t see them go to waste. I would love to see someone be able to enjoy them for thier special day First to try will buy £525 for both;
