Unfortunately due to moving and financial circumstances i am having to rehome my beautiful Japanese akita 'Honey'. She is house trained, doesnt chew and has excellent recall, she can be left for a number of hours and doesnt bark unless someone comes to the door. She is good with kids but would prefer to live with older children or adults. She can be ok with other dogs but needs to be introduced properly, she is not trustworthy around small furry animals but is fine with birds and reptiles. Please only contact me if you are serious and not if you are going to ask me to give her away for free....5* homes only! !
