Unfortunately due to moving and financial circumstances i am having to rehome my gorgeous japanese akita 'Kuma' (meaning bear in japanese). He is house trained, doesnt chew and is absolutely amazing with children, my 5 year old climbs all over him and all sorts and he doesnt batt an eyelash. He is a big dopey boy with lots of love to give. He is good with other dogs if introduced correctly and previously lived with a cat. Only contact me if you are serious and not if you are going to ask me to give him away for free. He is my sons dog so this is a heartbreaking sale. 5* homes only! Thank.
