

Transfer and receive money with iBAN Wallet

Location

South East, Middlesex

<https://www.freeadsz.co.uk/x-491335-z>

iBAN Wallet is an application developed by the iBANONLINE company, whose objective is to make a combination between two exploding markets – Sharing Economies and Crowdlending, which ones we have already seen in companies such as AirBnB and UBER. The tool is intended to help users control their finances, transfer money and create an interaction between investors and borrowers. Through the application, users will have a modern tool for managing their money, integrated with precise risk management. Visit us on SEEDRS: <https://www.seedrs.com/ibanwallet> and meet the #iBANWallet #BePartOfiBAN #SEEDRS #EquityCampaing
