## BITWATCH PLACES A GREAT EMPHASIS ON HEALTH, FITNESS AND NUTRITION

With this vision we have created the ULTIMATE product that will provide those needs.

This product will make you healthy and fit by counting the number of steps you take ALL day, EVERY day!

It also counts your calories burned, distance traveled, and active minutes.

This allows you to ACHIEVE YOUR GOALS with ease, ALL THE TIME!

TIME AND DATE DISPLAY. Bright OLED White display.

You get notifications when you receive CALLS and SMS messages.

It comes with a special sedentary reminder setting which notifies you if you have been motionless for too long.

Comes with ANTI-THEFT ALERT feature (some notifications are compatible with Android OS only). You can also TAKE PHOTO and SELFIE remotely using the newest Veryfit 2.0 version app.
