TWO LARGE STURDY KLAUSSNER ARMCHAIRS UPHOLSTERY FABRIC WITH SOLID SLOT ON WOODEN BASES.

Good solid condition with usual wear to the upholstery and wooden base. There is no splits or tears to the fabric and the solid wooden bases have a few kick marks.

The measurements are:

Width 120cm - 47.2"

Height 73cm - 28.7"

Seat depth 73cm - 28.7"

Overall depth 100cm - 39.3"

The wooden bases are sturdy and solid in a medium oak colour.

Each armchair comes with:

1 large cushion (22")

1 medium cushion (18")

The armchairs are of solid construction and built to last. Not cheap SCS, DFS construction. Please bear in mind the size of these armchairs for collection purposes, although the bases come apart they are still overall LARGE.

We have the three/four seater and as you can see from the last three pictures the wooden base has been touched up with matching varnish pens to cover the scuffs and marks which brings the wood up lovely

and fresh.

The armchairs are located at my home house in Pwllheli which is about 15 minutes drive from the town in situ. They are put together for the purpose of the ad.

Do not hesitate to message me if you require more details.
