We are rehoming her for a dear old friend of the family, as She is moving to a retirement home in the near future.

She is a lovely little cockerpoo girl.

She is just over a year old.

She loves attention and affection being a puppy, which unfortunately we can not give her as we have dogs ourselves.

She does not have any paperwork or vaccination card that our friend can remember, or we have found.

Also she can not remember if she has been microchipped or not.

Please ring if you would like to come and see her for yourselves

Thank.
