This cue retails at over £310 on its own at many UK Mastercue agents some even more. It is a beautiful new unused dead straight cue and plays as good or better than any JP or other very much higher priced cues on the market. The cue is 58.25ins long; Weighs 18.5ozs; Has a 9.5mm tip; a butt diameter of 29.3mm; & a balance point of 16ins. It is perfectly spliced with Ebony; Lionwood & Red veneer giving it a superb appearance without the flashy splicing of some cues. The baby-bum smooth Maple shaft is the best I have used. I have fitted a medium Elkmaster tip to the cue & it comes in a £60 one piece case. Cash on collection only please & no offers thanks. MUST BE SEEN !!! Not to be repeated. A one off silly silly!!!
