I have 7 beautiful puppies looking for their forever home both male and female. Mum is Alaskan Malamute Dad is German Shepherd both are beloved family pets and can be seen when you visit. Pups have been brought up in family home so used to all household sounds, they have been wormed from 2 weeks old, will be vet checked and micro chipped. They have been around toddler and love to play. Really great personality. Their Mum is a big cuddle and would spend all day cuddling. Dad is typical German Shepherd with champion blood lines KC reg who loves exercise and playing with his ball and toys. Good home is the most important thing. Visits welcome. They will be 8 weeks this.
