Hi I'm Susan, I'm a local property investor. I am buying properties in your area and are interested in your property.

I specialise in buying properties very quickly, between 7 and 28 days is my normal purchase period

I can buy cash so you don't get messed around by mortgage lenders slowing you down

I pay all your estate agents, solicitors and closing fees

There are no viewings with lots of time wasters coming for a poke around your house

There is no advert placed outside your house, just a fast smooth, relaxed confidential sale

I offer a guaranteed purchase for your property which means that all you do is give me a call and I'll give you a price that I guarantee to buy your property at. If you decide to sell to me, you could have the money in your account within a few weeks. Looking to sell your house fast? We can help! * Free valuation, free consultation
