\*\*\*READY TO LEAVE FOR THEIR NEW, FOREVER LOVING HOMES NOW\*\*\*

Born 29/11/16, I have 3 handsome male Boston Terrier puppies. Their names are Sampson, Henry and Wolfgang (names can still be changed.)

They have American bloodlines, various champions in their pedigrees and come from very well-known breeding lines including Wildax and Oakeyloves.

Both parents are KC registered Boston Terriers and have fantastic temperaments. Both parents can be seen upon viewing so you will get the best idea of what they will look like fully grown.

They are HC-HSF4 clear and have all been vet checked (statements from vets will be provided.) They are also vaccinated and microchipped.

They are used to children and other dogs. They are handled several times a day and have great personalities, they are well accustomed household noises and are toilet trained to puppy pads and newspaper.

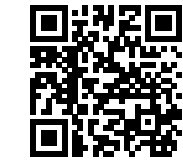

They come with 5 generation pedigrees, 5 weeks free insurance for your peace of mind and a hand written puppy care guide including instructions on feeding, advice and worming records. They each also

come with 1 application of Advocate, a bag of food and a puppy pack containing everything you need to get started. I also offer a 14 day on-guarantee.

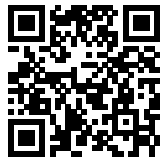

If you would like to view the puppies, please come know and put your name down when you get to the house. I will have the puppies ready for viewing. If you have any questions, please feel free to get in touch. Thank you for.
