READY TO LEAVE FOR HER NEW, FOREVER LOVING HOME NOW

Born 26/11/16, I have a beautiful female Boston Terrier puppy we have named Gracie (name can still be changed.) She is black and white and extremely well marked.

She has American bloodlines, various champions in her pedigree and comes from very well-known breeding lines including Wildax and Oakeyloves.

Both parents are KC registered Boston Terriers and have fantastic temperaments. Both parents can be seen upon viewing so you will get the best idea of what Gracie will look like fully grown.

She is HC-HSF4 clear and has been vet checked twice by 2 different vets (statements from vets will be provided.) She is also vaccinated and microchipped.

She is used to children and other dogs. She is handled several times a day and has an adorable personality, she is well accustomed household noises and is toilet trained to puppy pads and newspaper.

She comes with a 5 generation pedigree, 5 weeks free insurance for your peace of mind and a hand written puppy care guide including instructions on feeding, advice and worming records. She also comes with 1 application of Advocate, a bag of food and a puppy pack containing everything you need to get

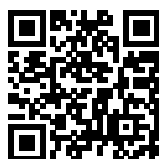

started. I also offer initial and on-going advice.

If you would like to view her please come know a little about you so when you get to the puppy you can have everything you need. Anything you need is welcome. If you have any questions please feel free to contact me. Thank you.
