Leather has never been out of fashion and at the hands of Footstoolsandmore, it is experiencing a renaissance of sorts in the form of black leather footstools. Made of finest polished leather and available in various designs, such as the Heritage and Kensington series or the Camden and Berlin Models, these leather footstools are a joy to behold, a pleasure to use and pride to own. Footstoolsandmore offers customisation through use of select materials and in creating bespoke sizes to suit a client's specific preference. Made in Britain, these charmingly elegant footstools are durable as well. More information to visit - <http://www.footstoolsandmore.co>
