We are a family run business with over 30 years experience in the fitted furniture industry, so we know a thing or two about fitted kitchens. We bring all of this experience together to offer you a complete and professional design, supply, and installation service, offering a surprisingly affordable bespoke British built product coupled with an unrivaled level of service. Our price point is simple . . . if you can afford a kitchen from Wickes, Homebase, B&Q, Wren, or Magnet, then you can certainly afford one from us. Except, instead of buying a pile of boxes with identikit cabinets, you will be buying a built to order bespoke product. Why not visit our brand new showroom at 98a Bellegrove Road, Welling, DA16 3QD and see the difference for yourself. We cover the Boroughs of Bexley (which includes Sidcup), Dartford and Greenwich (which includes Eltham and New Eltham) and surrounding SE post.
